

The 'Eco' Terrace BBQ Dinner

This function is designed to be a very easygoing relaxed dinner on the lakeside Terrace without any formal seating arrangements. It is a seasonal function that we recommend in the warmer months. The theatre of our chefs as they cook amongst your guests adds a great element to the night. The main BBQ meal is served with 'eco' plates and cutlery outside where your guests can mingle and eat casually inside or out utilizing the casual seating, couches, dry bars and stools. We then serve a selection of roving mini desserts and freshly brewed coffee and tea.

\$45 per person / Minimum 60 Adult Guests
