

Welcome to Dee Wardrop Speech Pathology Services

Communication Support for Adults & Children

Located within Rivers of Yarrambat Health Centre, Dee Wardrop Speech Pathology Services are a team of experienced speech pathologists providing specialist communication services for children and adults in Melbourne's inner north and inner western suburbs. We offer a range of group programs and individual therapies.

In 2011 our team expanded to include the provision of occupational therapy consultancy services for children receiving speech pathology at our centres.

With our team of specialists each offering services in their areas of expertise, we are able to provide support for a wide range of clients, including;

- Children with speech, language or listening difficulties
- Babies with feeding difficulties
- Children with reading and spelling difficulties
- Children with multiple needs
- Children or adolescents with Autism Spectrum Disorders
- Children eligible for services under the FACHSIA funding scheme (Autism or Better Start)
- Children preparing for school entry
- Children with language delays and sensory processing difficulties
- Adults and children with hearing loss or auditory processing difficulties
- Professionals or students concerned about their accent or speech clarity
- Adults and aged care facility residents with speech, language or swallowing difficulties
- Adults with voice disorders
- Adults seeking speech and language support following accident or illness

To Make an Appointment
