## Function Time

Memorial functions can be held in the morning, for lunch or in the afternoon. Our packages run for 2 hours, however you may wish to extend your function by a further hour by prior arrangement. (Note that an additional cost applies)

## Food & Beverages

There are a range of memorial menus as well as the full range of function options that we offer. This information package only details the memorial menus. (For our full range of function packages, please view on line at [www.riversofyarrambat.com](http://www.riversofyarrambat.com)) Our delicious foods are homemade by our team of chefs who take pride in quality and presentation.

Please take into consideration the time of your memorial celebration when selecting food, as menus 1 & 2 are generally lighter, therefore suitable for morning tea /afternoon tea and Menu 3 are more substantial, as well as being suitable options for serving over Lunch periods anywhere between 11.30am-2.30pm. At this time your guests will naturally require something more substantial.

Tea & filtered coffee are included in your chosen option. If you would like alcoholic and non alcoholic beverages then we have other options to consider; please talk to our functions team for further details.

## Special Diets & Allergies

We proudly accommodate for a range of special diets and allergies with prior arrangement. This includes Gluten Free, Pescatarian, Vegetarian & Vegan diets. Please note that the catering offered for each diet/allergy differs depending on which food package you choose. Whilst we endeavor to assist in helping cater for a range of needs, not all requests can be catered for.

As people's diets and the definitions that each one entails vary, we have additional information along with a dietary form for you to complete and return to us prior to your function. It is important to us that we have everything perfect for you and your guests.

## Photo Slideshows & Music

The Gallery offers a digital flat screen TV where you can play a slideshow of photos for your guests—a great way of showing the life of your loved one. We can also play your chosen music by supplying us with an IPOD or we can provide suitable background music. There is also a wireless microphone system for you use if required.
