GENERAL INFORMATION

Appointments, Arrival Time and Cancellations

Please call our team on 9436 3246 to make your appointment.

What does your appointment time mean with us?

Your appointment time is the time in which our therapists will begin with you and may include some or all of the following... preparing you for your treatment, consultation, chosen service, grounding time before you re-enter the world and prescription advice.

If it is your first time with us, or more than 6 months since your last visit please arrive 15 mins prior to your appointment time.

An SMS will be sent to your phone 48 hrs prior to your appointment as a reminder. If you need to cancel or reschedule, we kindly ask for a minimum 24 hours notice. This will avoid a cancellation fee and enable us to fill the time for others on our wait list.

If you are running late a courtesy call is appreciated and we will make every effort to accommodate you. It is however likely your treatment time will be affected.

Dual, Group Bookings and Parties

With seven treatment rooms and three dual areas, our spa can accommodate your special occasion no matter what it is! Contact us to learn more about our package options or design your own to meet your specific needs with time and budget.
